

 **SCHÜTTE**
CESARI PREMIUM

Shower WC

YOUR BENEFITS

YOUR PERSONAL SPA OASIS

With instant hot water, individually adjustable water flow and an oscillating spray, the **CESARI PREMIUM** offers an unrivalled cleaning experience. For added safety and convenience in the dark, there is an orientation light/night light.

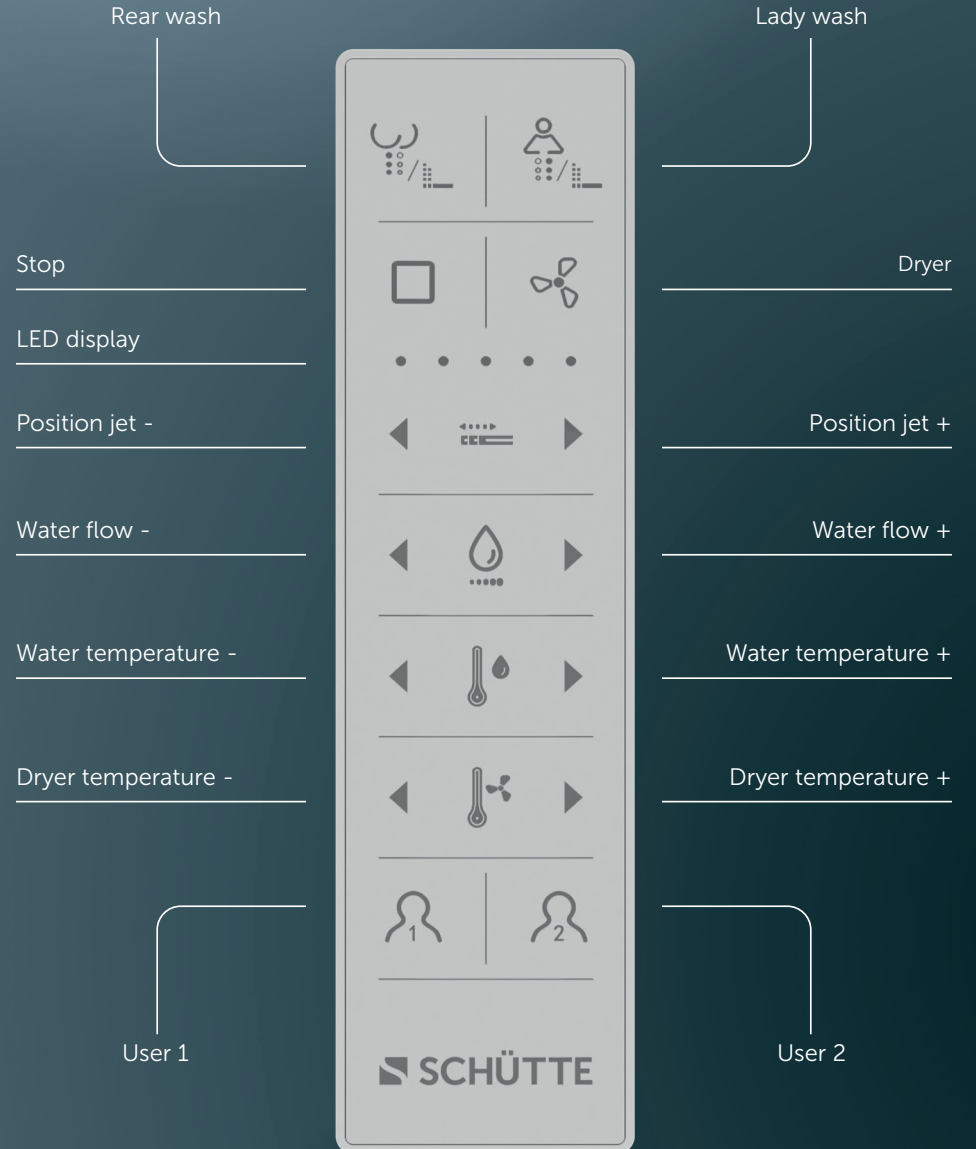

INTELLIGENT TECHNOLOGY FOR YOUR HOME

The **CESARI PREMIUM** impresses with sophisticated functions such as the odour extraction system with activated charcoal filter and the self-cleaning shower arm. In addition to the remote control, the user-friendly side panel allows you to set basic functions manually. The removable soft-close toilet seat allows easy cleaning and prevents noisy closing.

SUSTAINABILITY AND HYGIENE IN PERFECTION

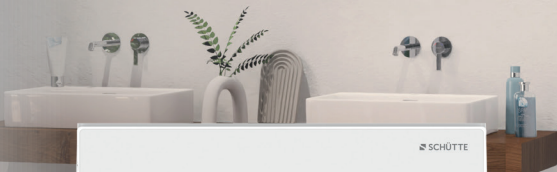

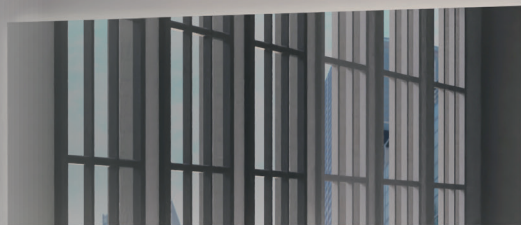

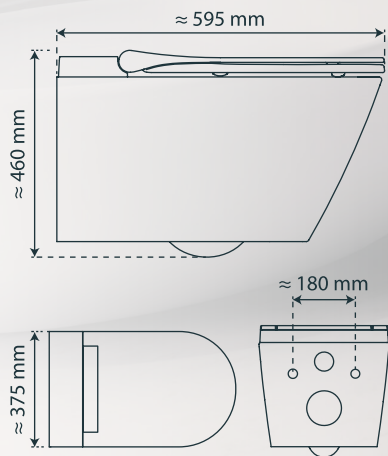

A washlet significantly reduces toilet paper consumption – according to Statista, this amounts to an average of 30 kg per person per year in the EU. The rimless flush and the dirt-resistant ceramics make cleaning easier and also save on cleaning agents.

DESIGN & COMFORT

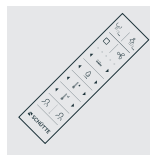

The elegant, rimless design of the **CESARI PREMIUM** combines aesthetics and hygiene at the highest level. The smooth ceramic surface not only looks good, it also makes cleaning easier and prevents dirt build-up.

With its clean lines and minimalist shape, this washlet blends seamlessly into any modern bathroom – a real eye-catcher for your spa oasis.

THE FUNCTIONS

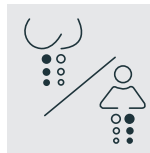

Comfort at the push of a button – and by remote control

The supplied remote control gives you convenient and intuitive control of all your washlet functions. Water temperature, spray intensity or drying – all customisable!

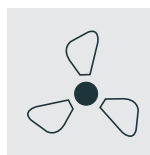

2 user profiles – tailor-made hygiene

Everyone has different needs: save up to two user profiles to recall your personal settings such as temperature, spray intensity and more.

Lady and rear wash – gentle and thorough

For maximum hygiene, the specially designed lady wash provides gentle cleansing, while the rear wash, with its individually adjustable temperature and spray intensity, ensures a perfect feeling of freshness.

Warm dryer – for gentle drying

The integrated warm dryer offers pleasant comfort after cleaning. The temperature and intensity can be individually set – for a complete feel-good experience.

Night light – orientation in the dark

The adjustable integrated night light provides discreet lighting in the dark hours. It offers you safety and comfort without lighting up the entire bathroom – ideal for night-time visits.
